About The Conference

Maiden conference of the Nigerian Society of Physical Sciences will focus on "Contemporary Breakthroughs in Physical Sciences : Catalyst for Sustainable Development" and the following 17 sessions. The programme of event highlights the most relevant issues in the area of Physical Sciences. The conference shall start with keynote and plenary speeches followed by sessions. The conference shall bring you an excellent opportunity to establish a scientific collaboration with other participants. It will provide a platform to exchange information on relevant issues, have open discussions, knowledge sharing and interactive sessions with field experts.

About NSPS

NSPS is a nonprofit and nonpolitical organization of Physical Scientists incorporated by the Corporate Affairs Commission of Nigeria on January 9, 2019 (CAC/IT/NO 123135). The main objective of the Society is to promote the research and study of Physical Sciences in Nigeria and provide effective programs in its support.
