Sir,

APPLICATION FOR THE POSITION OF GRADUATE ASSISTANT AT THE DEPARTMENT OF INFORMATION MANAGEMENT.

The information displayed on your website and knowledge gotten from working with your institution as a corps member suggests that you are an extremely progressive institution with an eye for detail in equipping students in knowledge and skills with the best technology can offer and that is exactly why I am interested in working for you. With my expert knowledge of Computing and Programming, I believe I can assist the Institution to evolve into the leading brand.

As you will see from my CV, I just concluded a year NYSC scheme under the department of **Department of Computer Science, the Federal University of Lafia as a Graduate Assistant intern**. In my position, I assisted Lecturers in different Courses and Handled all Practical Based Courses. I also taught part-time, Diploma and Degree Students of the Federal University of Lafia.

I would like to be considered for the position of **Graduate Assistant** as I believe I possess the appropriate skills both Theory and practical. After graduating with a First Class degree in Computer Science From Ebonyi State University. I have spent the year tutoring Students of that institution in Programming which they have gone out for competitions and have been victorious. I have also been part of several software developments. I have also assisted in teaching Computer Programming 1, Digital Electronics, Database Design, System Analysis and Design at the Federal University which are all core courses in computer science. I also spent a quality amount of time in making sure the students are impacted as it is the standard of your institution.

I would greatly appreciate the chance to arrange an interview to discuss potential job opportunities and the contributions I could make to the institution. Please find my CV enclosed for your reference. I look forward to hearing from you.

Yours sincerely,

Nduaguibe, Stanley Chidozie
